

St. Catharine School 2023-2024 Grades K - 8 Re-Registration Process

Full Tuition \$10,000*

Parish Subsidized Tuition \$7,000

Please note that the actual cost to provide your child with an excellent Catholic education at St. Catharine School is approximately \$10,000.00. Like many Catholic and private schools, St. Catharine School relies not only on tuition but also on the support of our parish and the generosity of parents, alumni, and the local community through their participation in fundraising.

*If you are able to pay the \$10,000 cost to educate your child, we very much encourage and appreciate your doing so, as this assists us in requesting less funding from the parish. The \$3,000 difference will be a donation to the school's annual fund and is, therefore, fully tax-deductible and eligible for employer matching.

Returning families who register their children by the **February 22, 2023** deadline will pay a non-refundable \$100 per family registration fee. Registrations received after this date will pay a \$250 per family registration fee (no exceptions). In addition, all students K-8 are required to pay a non-refundable \$150 technology fee. All Pre-K students are required to pay a non-refundable \$500 deposit to be credited toward tuition for the 2023-24 academic year.
