

**ST. CATHARINE AFTERCARE  
PROGRAM**

**PARENT HANDBOOK**

**2020-2021**

DEAR PARENTS,

WELCOME TO AFTERCARE! IN THIS BOOKLET YOU WILL FIND THE POLICIES AND PROCEDURES THAT FRAME OUR PROGRAM AND WHICH PROVIDE FOR THE SAFE AND HAPPY ENVIRONMENT THAT WE OFFER YOUR CHILDREN. WE ASK THAT YOU READ THIS CAREFULLY, THAT YOU BECOME FAMILIAR WITH AFTERCARE PRACTICES AND WITH YOUR RESPONSIBILITIES AS PART OF THE AFTERCARE PROGRAM.

Please note, all 2020-2021 social distancing policies and guidelines are in place and required for all aftercare students. Due to the challenges and restrictions of our current situation, our aftercare program is limited to serving only 11 students a day. Aftercare registration is required a week in advance of your child's attendance. We will not be able to accommodate last minute requests to send your child to aftercare, please schedule and reserve your child's place for each session a week in advance.

The aftercare program registration fee is non-refundable. Throughout the course of the school year, we may have to cancel our aftercare program if there is not enough program interest to support our operating cost. St. Catharine School reserves the right to change, alter, or cancel any aspects of our Aftercare Program.

**PLEASE COMMUNICATE ANY CHANGES IN ATTENDANCE PRACTICES or to SCHEDULE YOUR CHILD'S AFTERCARE SESSIONS BY CALLING 449-4424, EXT. 308 TO REACH OUR AFTERCARE COORDINATOR, MRS. BACHOR**

PLEASE SIGN AND RETURN THE ACKNOWLEDGEMENT FORM BELOW.

## **REGISTRATION**

Parents must complete a registration form in order to send their child/ren to the Aftercare Program. A \$25.00 registration fee per family must accompany the registration form.

The program is open to children attending St. Catharine School in grades Pre-K through 8.

## **ENROLLMENT FORMS**

Parents are asked to complete this form:

Registration - includes names of those who may pick-up the child & emergency names.

Parents are responsible for providing updated information as it occurs.

## **ATTENDANCE**

On the day that your child is to attend Aftercare, **the classroom teacher should receive a note indicating that he/she is to be sent there.** If your child is going for the full week, a note may be delivered on Monday indicating the full week's attendance.

If a student is attending an after school meeting, class, or sports practice, and then they will be going to Aftercare, the Aftercare staff must be made aware of this prior to attending Aftercare. You should send a written note ATTN: AFTERCARE and call the Main Office (300) to leave a message for the staff. They will then know to look for the child at a later time. **THIS IS FOR YOUR CHILD'S SAFETY.**

**PLEASE COMMUNICATE ANY CHANGES IN ATTENDANCE PRACTICES or to SCHEDULE YOUR CHILD'S AFTERCARE SESSIONS BY CALLING 449-4424, EXT. 308 TO REACH OUR AFTERCARE COORDINATOR, MRS. BACHOR**

There has in the past been occasion when a note arrived at Aftercare and a child did not! Happily, the error was that the parent got the afternoon off and came to pick up the child to go home. Unfortunately, the word did not spread to the Aftercare staff and they were panicked! If this or other circumstances change, please contact the staff. If a child does not arrive at Aftercare, the parents will be contacted immediately. If the parent cannot be reached, the emergency names will be contacted.

### **PICK-UP AND RELEASE OF CHILDREN**

Children are signed into the Aftercare program by attending staff.

**Children are released only to those named on the registration form.** Do not call with a change of name. Incoming phone calls will not be honored. **Written notification of name changes for release is required.**

**You must sign the child out in the presence of staff before leaving.**

### **SCHEDULED PROGRAM DAYS**

The Aftercare program follows the St. Catharine School calendar. When there is no scheduled school day, there is no Aftercare. ***There is NO Aftercare on the day before Thanksgiving holiday, Christmas holiday, or Easter holiday.*** Aftercare ends on the first Friday in June.

## **SCHOOL CLOSINGS**

**In the event of an early school day closing due to bad weather or school building emergency, the Aftercare program will close also.** This is a safety item. Families should have an emergency plan in place for such occasions. Children should know what to do.

**If the emergency occurs during Aftercare hours, we will contact parents to arrange pick up for the children as soon as possible. It is therefore imperative that Aftercare has current phone numbers and names of authorized people to pick up your child.**

## **HEALTH & SAFETY**

If your child has a known medical condition, please inform us in writing. In this way, we can know what to do if something should occur during Aftercare hours.

If the child has one of the following conditions, the parent will be notified to pick up the child immediately: contagious disease, fever over 100 degrees F, vomiting or diarrhea, accident requiring medical attention.

In case of accident or illness, parents will be called immediately. In serious cases, the child will be transported to the area hospital by emergency vehicle and the parents will be called.

## **MEDICATIONS**

Children may not have medications in their possession while in Aftercare. Aftercare staff will not distribute medications.

## **CHILDREN'S PERSONAL PROPERTY**

All items of clothing, coats, uniforms, even socks and shoes should be clearly marked with the child's name or identification mark in permanent marker. Items left will be placed in the school lost and found box. Children should not bring items of value to the program.

## **DISCIPLINE**

Children in the Aftercare program are entitled to a safe and happy environment. **We cannot serve children who display chronic disruptive behaviors.** This is defined as verbal or physical activity which may include, but is not limited to, such behavior as: inflicting physical or emotional harm on others, requiring over attention from the staff, ignoring or disobeying the rules which guide the program.

Reasonable efforts will be made to assist the child to adjust to the program setting. Parents will be notified in writing of repeated misbehavior. **If no improvement occurs, the child may be suspended from the program.**
